Has completed

PCC4U Module 2: Communicating with people with life-limiting illnesses

From the PCC4U suite of learning resources www.pcc4u.org.au

Learning Outcomes

On completion of Module 2, you should be now able to:

- Identify sources of psychological, social and spiritual support for people affected by life-limiting illness
- Recognise how your personal values and beliefs about dying and death affect your responses and interactions with people affected by life-limiting illness
- Identify resources that can support your communication with a person affected by a life-limiting illness
- Demonstrate the principles of effective communication when interacting with people affected by life-limiting illness
- Explore the role of self-care for healthcare professionals who are supporting people affected by life-limiting illness.
